MIGUEL LÓPEZ
WEB DEVELOPER

My name is Miguel, and I am a full-stack web developer. As the manager of a Public Library in Málaga, driven by curiosity and a restless nature, I have strived to update my training and reinvent myself professionally.

Currently, my goal is to find a professional internship where I can challenge myself by applying all my knowledge in a real work environment. Do not hesitate to contact me to discuss how I can add value to your company.
